

## **Child and Adult Care Food Program**

CCCC of Union County is a sponsoring organization in administering the Child and Adult Care Food Program for registered FCC providers in Union County. The CACFP is a federally funded program administered by the NJ Department of Agriculture which supports nutritious meals or snacks for children in care. The CACFP partially reimburses registered FCC providers for the healthy meals that they serve to the children in care. All meals are served free.

Providers who want to participate in the program must meet eligibility requirements, have a current certificate of registration and agree to receive training and at least 3 monitoring visits a year.

For more information, please call our Family Child Care Department 973-923-1433.
