Join NJDOH Communicable Disease Service's DSH team to learn about some of the most common diseases in childcares and schools. The DSH team specializes in infectious diseases in daycares, schools, and higher education settings. Each session will cover several of the diseases on NJDOH's school and childcare exclusion list, which can be accessed [here](#). These trainings will highlight best disease prevention practices and NJDOH resources that are available for disease management. Part 1 will cover acute respiratory illness, influenza, hand foot and mouth disease, GI illness/norovirus, strep, and fifth disease. Part 2 will cover other childhood illnesses.

NJ Public Health CE and CHES/ MCHES Credits

Participants who complete this webinar will be awarded 1.0 New Jersey Public Health Continuing Education Contact Hour (CE). Rutgers-SPH has been approved by the New Jersey Department of Health as a provider of NJ Public Health Continuing Education Contact Hours (CEs). 1.0 CHES/MCHES credit will be provided.
